Verse 1

1           

I don't know where to go, so low

2      

It's somewhere deep inside me

3            

Once was a soul, now cold

4       

Seems like it's gone to hiding

5         

A million miles away

6       

But I'll get there someday

7       

I know I'm on my way

8    

I'm back on course

9
