

Ba'avur Avoseinu

letter keys for keyboard · Naftali Kempah · key: A minor (G# and C# are the black keys)

בעבור אבותינו

How to read it: each box is a key. Letters with no mark are the white keys from **middle C** going up.

 = the C higher up (to the right)  = just below (left of) middle C  = black key

– = keep singing the same word · wider box = hold the key a bit longer
