

Hamalach Hagoel

letter keys for keyboard · Abie Rotenberg · key: A minor (all white keys)

המלאך הגאֵל

How to read it: each box is a key. Letters with no mark are the white keys from **middle C** going up.

 = the C higher up (to the right)  = just below (left of) middle C  = black key

– = keep singing the same word · wider box = hold the key a bit longer

Part 1 sing twice (2nd time: use the ending below for the last line)

Melody from the publisher's own piano tutorial for Abie Rotenberg's Hamalach Hagoel, checked note by note against the tutorial's sound. Slow and gentle, 3 beats to a bar. Order: Part 1 twice (the 2nd time, finish with the 'ending' line), then Part 2 twice. Words are printed under each line; in Part 2 some words stretch over a few keys.
