

I Wanna Be Like Zusha

letter keys for keyboard · TYH Boys · key: C major (all white keys)

How to read it: each box is a key. Letters with no mark are the white keys from **middle C** going up.

C = the C higher up (to the right) **A** = just below (left of) middle C **G#** = black key

– = keep singing the same word · wider box = hold the key a bit longer

singing for you

Melody from the publisher's own piano tutorial (played in A-flat, moved to C so it's all white keys), checked against the tutorial's audio. The verses have lots of quick repeated notes, one per word. The chorus is sung after each verse, then twice at the end; the last time the singers go up a step, but you can keep playing it in C. Words are printed under each line (not matched note by note).
