6 The men were dancing there, the hearts so full of love / They sang such happy tunes to thank the One above / For showing them the way, for giving them the day / To rest, rejoice, with peace of mind to pray

7 VERSE 2: I said hello my friend, you seem to be amused / He said much more than that, I am a bit confused / I know I am a Jew, I was bar mitzvah too / But Shabbos in our home, who ever knew?

8 He asked to join with us, to understand and see / He spent some time with us in total ecstasy / Next Shabbos came along, his feelings grew so strong / He first began to feel that he belongs

9 VERSE 3: He's found his treasure, made some changes in his life / A brand new family with children and his wife / They learn new things each day to live the Torah way / The message of the Shabbos they relate

10 Now every Friday night they go down to the Wall / Invite some people home and they will tell them all / We'll teach you this new song to join and sing along / And soon we'll all be free, it won't be long (I promise you!)

Order: Intro → Verse (2 parts) → Chorus x2 → Verse 2 → Chorus x2 → Verse 3 → Chorus x4. A dot before a letter (.B .A) = the key just below Middle C; ^ = one higher. Last 2 chorus lines: the words go along with the notes; the end of the last line ([^]E [^]D [^]C B [^]C) is the tune turning on the word "too".
