letter keys for keyboard · Simcha Leiner · key: D minor (A# is the only black key)

קול
ברמה

How to read it: each box is a key. Letters with no mark are the white keys from **middle C** going up.

 = the C higher up (to the right)  = just below (left of) middle C  = black key

– = keep singing the same word · wider box = hold the key a bit longer

Ending Verse lines 1–4 again, slowly

The whole song as in the piano tutorial: Verse, Chorus (4 lines, each a bit different), Verse again, Chorus again, Bridge, Chorus again, Ending. Piano intro left out. Where words sit under the keys one by one they are matched syllable by syllable; otherwise the words of the line are printed under it.
