Intro (music, no words)

Verse 1

Writers of the history

Stand with me, look into my eyes and see

People go away but never say goodbye

Someone stole the moon tonight, took my light

Everything is black and white

Who's the fool who told you boys don't cry

Pre-chorus

Hours and hours and flowers, life is no game for the cowards

...

Chorus

Every day I'm losing my mind

Holding on in this mysterious ride

Dancing in the storm, we got nothing to hide

Take me home and leave the world behind

Interlude (music)

And I promise you that never again

I'm still wet from this October rain

October rain

Living in a fantasy, ecstasy, everything is meant to be
We shall pass but love will never die

Hours and hours and flowers, life is no game for the cowards
