Suddenly silence broken, A distant voice, an ancient prayer Children climbing narrow stairways.

Hearts were singing, lips were praying Beneath us, the ground was shaking, How can we dance? How can we sing?

The golden sky above us burning. We dream of better days We know that they will come, We will dance again.

We're praying for one more dance, A dance that will never end
One more dance

Together as one heart higher and higher.
One more song

A melody from high above
We'll sing and rejoice
forever and ever.
