letter keys for keyboard · Yaakov Shwekey · key: A minor (moved down from C minor; G# is the only black key)

רחם

How to read it: each box is a key. Letters with no mark are the white keys from **middle C** going up.

 = the C higher up (to the right)  = just below (left of) middle C  = black key

– = keep singing the same word · wider box = hold the key a bit longer
