

Shalom Aleichem

letter keys for keyboard · Yeshiva Darchei Torah Boys Choir ·
key: A minor (all white keys)

שְׁלוֹם עֲלֵיכֶם

How to read it: each box is a key. Letters with no mark are the white keys from **middle C** going up.

 = the C higher up (to the right)  = just below (left of) middle C  = black key

– = keep singing the same word · wider box = hold the key a bit longer

Opening tune no words, play it 2 times

The other two verses: sing **Barchuni l'sholom** to Part A and **Tzeischem l'sholom** to Part B. Then the opening tune again.

The words sit under each row, not under each key: one key for each word-sound, and the long keys are where the singers stretch a word.
